## The Brady Brief - Accomplishments of the 111th Congress

Dear Friend,

Over the past year, the 111th Congress achieved significant success in working with President Obama to take our nation in a new direction. The House of Representatives passed legislation to recover our economy, create more jobs, reform our financial institutions, keep our nation safe, improve the environment, and make quality health care affordable for all Americans.

A full listing and explanations of the 111th Congress' accomplishments can be found on [my website](#), but some highlights include:

- [American Recovery and Reinvestment Act](#)
- [Jobs for Main Street Act](#)
- [Affordable Health Care for America Act](#)
- [American Clean Energy and Security Act](#)
- [Wall Street Reform and Consumer Protection Act](#)
- [Defense Authorization Act](#)

I look forward to continuing to work for the interests of the people of the 1st District in this new year. As always, if you have any questions or comments, do not hesitate to contact any of my offices.

Sincerely,

Robert Brady  
Member of Congress
